

Minutes of SIAPWS EC Meeting 2020-8 (22.12.2020)

1. Attendees

- Karsten Thomsen (Chair) - absent
- Monika Nielsen (EC member, elected and Ørsted representative)
- Roger Lundberg (EC member)
- Jere Espo (EC member)
- Anna Edebo (EC member, E.ON representative) - absent
- Arja Lehtikoinen (EC member)
- Sara Sjögren (EC member) – absent

As many were absent at this meeting, we will have a new meeting in the beginning of January 2021.

2. Follow up on Friday Event on 27/11 and 18/12 (Swedish and Finnish Webinar)

- 44 attendees at the Swedish Friday Event 27/11-2020.
- 28 attendees at the Finnish Friday Event 18/12-2020.
- Recordings and presentations are available on SIAPWS website <https://info.siapws.org>
- The video and presentation are available for the public now. From 2021 it should be changed so that only members have access to the video. *Arja will ask Nuutti if he can help with this.*
- We should start preparing new Friday Events as soon as possible. First Friday Event 2021 should be on Friday 29. January, and then every last Friday of each month.
- Suggestions for topics for next year's Friday Events
 - Bacteria in FGC water treatment – analysis, prevention and solutions
 - Analysis of bacteria in the laboratory.
 - CO₂ and EDI performance
 - EDI as acid conductivity monitor (SWAN?).
 - CO₂ in the makeup water and its way to the water steam cycle (temperature and pH influence).

3. SIAPWS Annual Meeting, 25. March 2021

- Monika has made a preliminary agenda  SIAPWS Annual Meeting 2021
- Karsten, Roger and Jere are up for election next year. *Please consider if you want reelection 😊*
- We will make a calendar invite to the EC for the annual meeting on 25. March 2021, to reserve the date. *Monika will do this.*
- How should we invite people to the meeting? *To be discussed at our next meeting in January.*
- Topics/speakers for the workshop
 - TGD on FGC – Karsten
 - TGD on smart alarms – *Jere will think about this until our next meeting in January.*
 - TGD xxx – from IAPWS

4. SIAPWS website & literature database – contribution from Matarvattensektionen??
